

Communication

Date	4 October 2026
Team ID	6ab2951f1266c775575a6b80
Project Name	Farm Management System
Maximum Marks	5 Marks

Communication Plan

Effective communication is essential for a successful project. This document outlines the communication channels, stakeholders, and strategies to ensure smooth collaboration, information sharing, and timely updates throughout the project.

S.No	Communication Type	Purpose	Channel / Tool	Frequency
1	Team Meetings	Discuss progress, issues and action items	Google Meet / Zoom	Once a week (or as needed)
2	Project Updates	Share status, tasks and milestones	WhatsApp / Email	Daily
3	Task Assignment	Assign and track individual work	Trello / GitHub	As needed
4	Documentation Sharing	Share design, code and reports	Google Drive / GitHub	As needed
5	Client / Mentor Feedback	Get suggestions and approval	Email / Meeting	After each major phase
6	Issue Escalation	Report blockers or delays	WhatsApp / Email	Immediately when needed

Communication Channels & Responsibilities

S.No	Stakeholder	Role / Responsibility	Mode of Communication
1	Team Members	Work on assigned tasks, share updates	WhatsApp / Google Meet
2	Project Guide / Mentor	Provide guidance, review progress	Email / Meeting
3	Client / End User	Share requirements, give feedback	Email / Discussion
4	Team Lead	Coordinate tasks, ensure deadlines	WhatsApp / Google Meet
5	Project Manager	Monitor overall progress, handle risks	Email / Meeting

Communication Challenges & Solutions

Challenge	Solution
1 Delayed responses from team members	Set clear deadlines and follow up regularly.
2 Miscommunication in task details	Use written communication and confirm understanding before starting.
3 Technical issues in online meetings	Keep backup tools (phone hotspot, alternate platform).
4 Difficulty in getting client feedback	Share clear documentation and schedule proper review time.
