Project Name	Farm Management System
Maximum Marks	2 Marks

Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1 (Awareness)	Stage 2 (Consideration)	Stage 3 (Purchase/Usage)
Actions <i>What does the customer do?</i>	- Hears about the system from friends/online - Searches for farm management solutions - Visits website or social media	- Compares features and prices - Reads reviews and ratings - Checks demo or trial version - Asks questions / seeks support	- Registers / creates account - Signs up / subscribes - Starts using the system - Explores all features
Touchpoint <i>What part of the service do they interact with?</i>	- Website / Social media - Google search - Posters / local awareness - Friends / other farmers	- Website / Demo - Customer support (chat/call) - WhatsApp / Email - Online reviews / testimonials	- Web application / Mobile app - Login dashboard - Help centre / Support team - Notifications / Alerts
Customer Thought <i>What is the customer thinking?</i>	- Is this system reliable? - Will it be useful for my farm? - Is it affordable? - Can I trust this brand?	- Does it have the features I need? - Is the price worth it? - How easy is it to use? - What if I face issues?	- Is this really helpful? - Will it save time and effort? - Is the support good? - Am I getting value for money?
Customer Feeling <i>What is the customer feeling?</i>	Curious, Interested, Hopeful	Confused, Comparing, A bit anxious	Happy, Confident, Satisfied

Phase of Journey	Stage 1 (Awareness)	Stage 2 (Consideration)	Stage 3 (Purchase/Usage)
Process Ownership <i>Who is in the lead on this?</i>	Marketing / Sales Team	Sales / Support Team	Support / Product Team
Opportunities <i>How can we improve this stage?</i>	- Increase online awareness - Share farmer success stories - Run local campaigns	- Provide clear feature demo - Add comparison guide - Improve response time	- Offer easy onboarding - Provide quick support - Collect feedback & reviews
